Parental Guidance Required

We have all been shaped by our relationships. They impact the decisions we make, the places we go, and the things we do. That's why it's so important for parents to develop strong relationships with their children.

As a parent, you have the opportunity and the responsibility to guide your child's relationship with God and with others. Andy Stanley and Reggie Joiner deliver 4 powerful messages that will teach parents how to have a positive influence on the direction of their children's lives.

You'll gain guidance to the questions:

- Am I developing a quality relationship with my child that will go the distance?
- Am I striving to control the influence friends have over my child's life?
- Am I nurturing a healthy eternal perspective that will help my child to weather the storms of life?
